## PARADING AS SHRINERS

Ron Buchanan - Photo by Evert Nelson, The Capital-Journal

There's no big history  
or ritual behind  
Shriners in parades.

They are purely entertainment . . .  
for the kids, of course.

Shriners started distinguishing  
themselves by wearing  
elaborate costumes and  
driving tiny cars and scooters  
for tricks more than speed.

Harlan McNinch	4
Dennis Phillips	1

## SHRINE PRAYERS

O GOD, to whom we owe the gift of life, let this time be one of awareness for the gift of food, fellowship, and faith. Renew in us the love for Shrinedom and our need for guidance in the stewardship of our fraternity. Hear us as we share our talents with others in charity, in fun with a purpose, and in sharing the principles of our order. Let all be blest in this special hour at Thy table. Amen

---

Hear us, O divine Giver of food for our bodies and inspiration for our souls. Let our joys of Shrinedom and its charity for boys and girls call forth a greater dedication to our Shrine Center and our Nobility. May we never forget Thy goodness in providing daily bread and refreshment for our thirst. May we walk humbly as upright men and exemplify the quality of our brotherhood. In Thy Name we pray. Amen

## SHRINER'S CREED

Shriners believe in God and that He created man to serve His purposes, among which is service to others in His name. We believe that care for the less fortunate, especially children, is our institutional calling.

We are patriots, each willing to serve his country with fidelity and courage. We cherish independence under law and freedom with responsibility.

We honor family, we respect our parents, wives and children. We should instill in our children the tenets of this creed and the heritage from which it emanates.

As individuals we pledge ourselves to integrity, virtue, and nobility of character. Our intentions will be honorable, our relationships will be trustworthy, and our spirits forgiving of each other.

As brothers we offer each other fraternal affection and respect. Together we will support each other in adherence to this creed, so that we and our communities will be the better because of our fraternity and its principles.

As Shriners we look beyond ourselves to serve the needs of others, especially children who cannot help themselves. We believe Shriners Hospitals to be the world's greatest philanthropy. We covenant with each other to support its temples of mercy with spirit, time, talent, and means.
